DEPARTMENT OF ENVIRONMENTAL HEALTH SCIENCES: FOURTH ANNUAL CONFERENCE

The Department of Environmental Health Sciences, Faculty of Public Health, University of Ibadan in conjunction with Environmental Health Officers Registration Council of Nigeria (EHORECON) invites the University community to its Fourth Annual Conference holding from Sunday, 20 to Thursday, 24 November, 2016.

The theme for this year's Conference is: "Pollution Control and Sustainable Technologies."

This year's Conference is aimed at bringing together professionals, scientists, researchers, managers, policy makers and students in the field of Environment, Health and Technology to address contemporary and emerging issues in Environmental Health Sciences.

The event will also be used to celebrate the fifth anniversary of the Department of Environmental Health Sciences.
