INTERNATIONAL COLLABORATIONS

The Office of International Programmes (OIP) wishes to inform members of the University community that the University management recently signed four (4) Memoranda of Understanding (MOUs) with institutions outside Nigeria, for the mutual benefits of the parties involved. The aim is to promote cooperation in academic, research and cultural activities in line with UI's vision for internationalization.

The newly signed agreements are with the following institutions:

1. University of Johannesburg, South Africa.
2. Graduate Centre of the City University of New York, USA.
3. Soongsil University, Seoul, South Korea.
4. Cologne Business School, Germany.

Departments, centres as well as interested members of the University community are encouraged to engage with these institutions within the scope of the agreement to facilitate and enhance activities that will be of benefit to faculty, staff and students.
