COVID-19 PANDEMIC UPDATE

In response to the recently observed rise in number of cases of COVID-19, the Federal Government of Nigeria (FGN) announced that the country has entered a second wave of the pandemic. Consequently, some rules have been imposed to forestall further infection and/or spread.

The University Management hereby requests compliance with the following rules specified by the FGN on campus:

- (1) Closure of all bars, eat-in places restaurants or club for an initial period of 5 (five) weeks;
- (2) All informal or formal gatherings including end of year events should be restricted to not more than 50 (fifty) persons;
- (3) Religious events should be limited to less than fifty percent capacity of the facility of use during which physical distancing, appropriate use of facemasks, and other recommendations should be strictly enforced;
- (4) Events having more than fifty persons in attendance should be held outdoors and with appropriate use of facemasks and adherence to other recommendations;
- (5) Campus transportation should carry not more than fifty percent of their capacity in compliance with social distancing rules;
- (6) Mandatory and appropriate use of facemasks should be observed by all and sundry on campus;
- (7) Persons aged 60 years and above and/or with co-morbidities should stay at home and avoid crowds;
- (8) Leadership of offices should take responsibility for adequate ventilation, working from home, and adherence to other recommended precautions etc;
- (9) Virtual meetings should be adopted/encouraged in offices as much as possible;
- (10) CONTISS 12 officers and below are expected to work from home; and
- (11) Persons having symptoms of COVID-19 including fever, cough, breathlessness should call any of these numbers: 08095394000, 08078288800

Management expects total compliance with the above by all members of the community and entrants to the campus.

Federal Government's task force, nay the University Management, may apply sanctions where breached.

Thank you.
