Special Release

20 August, 2021

MASS DISTRIBUTION OF INSECTICIDAL TREATED NETS

This is to inform the University community about the mass distribution of insecticidal treated bed nets to all households in Ibadan North Local Government Area sponsored by the Federal Government of Nigeria in collaboration with the Oyo State Government, USAID Global Health Chain Supply Programme, and President Malaria Initiative (PMI) to achieve the Malaria elimination strategic plan in the country.

To this end, all households will be visited between 15 and 23 August, 2021 for the issuance of Net Card to household heads which will be presented at distribution points closer to them between 27 August and 03 September, 2021.

All residents are, therefore, encouraged to note the process and take advantage of this kind gesture.

Thank you.

Olubunmi O. Faluyi, MCIPM
Registrar
