NOTICE TO CURB ILLEGAL GRANTING OF AUTHORISATION TO USE UNIVERSITY SPACE

It has come to the attention of the Management that the practice by which authorization to access the University space for all manners of purposes (particularly for social and quasi-social events) is being flagrantly granted, and by unauthorized persons, has become worrisome and needed to be curbed.

Members of the community should please note that no one, or office other than that of the Registrar, is authorized to let or grant authorization and access into the University public space, either to staff, students or members of the outside public.

Aside from activities in the Faculties and the Halls of residence for which clearance can be sought through the Faculty offices and Hall Managements, all other places in the University space can only be approved for use temporarily by the Registrar on behalf of Management.

The University public should please note this for strict adherence.

Thank you.

G.O. Saliu, MANUPA, MNIM, MAUA
Registrar and Secretary to Council
