Special Release

13 February, 2024

**2022/2023 STUDENT MEDICAL SCREENING (MOP-UP EXERCISE)**

The above exercise commenced on 05 February, 2024 and will last for one month. It will run concurrently alongside the Distance Learning Centre (DLC) screening.

Based on a plea from major stakeholders, the late registration fee of ₦1,000.00 for undergraduates and ₦1,500.00 for postgraduate students has been suspended till the end of the DLC screening exercise.

Any student who fails to utilize this opportunity to register at the UHS will be sanctioned and penalized. It should please be noted that the need to register is especially required now that the UHS is migrating to the electronic mode of operations (Electronic Medical Records).

**Kindly inform all students of the University who are yet to register at the UHS, to avail themselves of this opportunity.**

Please see the attached document.

Thank you.
