### **APPLICATIONS FOR THE 2024 NHEF SCHOLARS PROGRAM HAS COMMENCED**

The NHEF (Nigeria Higher Education Foundation) Scholars Program is a prestigious and competitive initiative designed to identify, develop, and support the brightest and most talented young Nigerian undergraduates.

The program aims to provide promising individuals with the resources and opportunities needed to reach their full potential as leaders, innovators, and change-makers in their respective fields.

Each year, the NHEF works with its Partner Universities to identify a cohort of talented scholars to participate in its fellowship class.

Through sustained career support and coaching, the placement of these scholars are facilitated into esteemed partner institutions to ensure they gain real-world work experience.

The NHEF Scholars Program provides undergraduates with opportunity to work in leading companies in the following sectors:

Financial Services; HR & Operations; Engineering; Technology; Consulting; Law

#### **Who Can Apply?**

- Scholars in their penultimate year at the Partner Universities, including the University of Ibadan.
- Well rounded individuals who have demonstrated excellence in their academic, extracurricular and professional pursuits.
- Individuals who possess a strong commitment towards community service, philanthropy and making a lasting impact in society.
