SPECIAL RELEASE

08 January, 2020

### **Important Notices**

#### **Commencement of Lectures, Finalisation of Continuous Assessment and Continuation of Inaugural Lectures for the 2018/2019 Academic Session**

This is to draw the attention of the University community to the following important academic activities scheduled for the remaining part of the 2018/2019 academic session:

1. As specified in the 2018/2019 Calendar, lectures resumed on 06 January, 2020 after the End of Year Break between 23 December, 2019 and 03 January 2020. All are encouraged to kindly commence lectures immediately.
2. The week of Monday, 20 January, 2020 to Friday, 24 January, 2020, has been scheduled for the Finalisation of Continuous Assessments (CAs). Please let us ensure that all CAs are finalised during this week. Also, as approved by Senate, lecturers are expected to make CA scores available to all students as soon as possible but before the commencement of the Second Semester Examinations.
3. Inaugural Lectures for the 2018/2019 academic session will continue from Thursday, 09 January 2020. All academic staff are encouraged to attend these important lectures that constitute an important aspect of our academic tradition. Kindly note that with the official opening of the renovated Trenchard Hall on Saturday, 04 January 2020, subsequent Inaugural Lectures will hold at the Trenchard Hall with effect from Thursday, 09 January 2020.
4. The second University Lecture for the current session will hold on 26th March 2020. It will be delivered by Professor E. O. Farombi.

5. Please find below the schedule of the remaining Lectures:

| 488            | Prof. J.O. Ajiboye        | Arts & Social Sciences Education    | Education                   | Teaching: “In the Classroom As a Regulator”   | 19th March 2020       |

### University Lecture

26th March, 2020 - **From Bench to Bedside and Beyond: Building Capacity in Translational Research** – Professor E. O. Farombi

We count on your continued support towards the realisation of the vision, mission and core objectives of our University. The Provosts of the College of Medicine and Postgraduate College, Deans of Faculties, Directors of Academic Units and Heads of Departments are specially requested to kindly bring the contents of this release to the attention of all academic staff.

Thank you.

**Olubunmi O. Faluyi, MCIPM**
