**TEACHING AND RESEARCH FARM:  
WORKSHOP ON ENTREPRENEURSHIP IN ORGANIC FARMING FOR  
UNIVERSITY OF IBADAN STUDENTS**

The Teaching and Research Farm of the University of Ibadan, in conjunction with the Nigeria – Go – Organic Project, is organizing a Workshop on Entrepreneurship in Organic Farming from 16-20 June, 2014 from 11:00a.m. – 4:00p.m. daily.

The venue is the First Bank Auditorium, Faculty of Agriculture and Forestry.

The event is meant to prepare interested students of the University for the Organic Farming Entrepreneurship Project of the Teaching and Research Farm, which will be allocating portion of lands for organic farming to interested participants.

Participation in the workshop is FREE, but subject to prior registration on or before 13 June, 2014. Interested students and members of staff of the University should register with the following co-ordinating officers:

- a. Mrs. Oyetoun Alonge, Teaching and Research Farm – 08056884447
- b. Dean's Office, Faculty of Agriculture and Forestry
- c. Mr. R. O. Gbadamosi, NOAN National Secretariat, Department of Agronomy – 08072711147

Thank you.

**O. I. Olukoya, MNIM, FPA  
Registrar**
