2015 COMMONWEALTH SCHOLARSHIPS IN THE UNITED KINGDOM: CALL FOR APPLICATIONS/NOMINATIONS

This is to inform the University community that the institution has been invited in the nomination process for the Commonwealth Scholarships in the United Kingdom, tenable from October, 2015.

All nominated candidates are expected to apply through the Commonwealth Scholarships Commission in the UK's Electronic Application System (EAS) following the appropriate link at <http://bit.ly/cscuk-apply>.

Kindly note that ALL eligible applicants are required to apply online and then submit a printed PDF copy of their application details through their Deans for onward transmission to the Office of the Deputy Vice-Chancellor (Academic). Usually, the University commits all the applications received to a Committee for screening and make recommendations on the required number of nominees. For the 2015 competition, the University has been allotted **only 1 Doctoral Study slot**.

It is pertinent to note that candidates nominated who have not completed the EAS cannot be considered for the Scholarship.

It will be most appreciated if all nominations from the Faculties are forwarded to the Deputy Vice-Chancellor (Academic) **on or before 12noon on Friday, 31 October, 2014**.

Thank you.
