DELAYED PAYMENT OF APRIL 2015 STAFF SALARY

This is to inform all staff that the personnel cost grant for April 2015 has not been received by the University.

This explains why staff salary for the month has not been paid as at today 28 April, 2015.

Management is making necessary efforts to get the subvention released by government; and payment will be made as soon as the funds are received.

Thank you for your understanding and cooperation.
